Dear Mrs. Anreus-Hill,

We are pleased to inform you that for the second time this year we are willing and eager to participate in an event held and organized by Americas Real Estate Expo and your team of professionals.

Once again we will book two booths space for our company and we are looking forward to meeting you again in Panama this upcoming September.

Months after our participation in San Jose, we are still receiving mails and developing business relationships with clients and potential buyers we met at the event you organized last February 2008.

We sincerely thank you for your dedication to your exhibitors, for the hard work in putting together this event and for the quality and discipline of your team and organization.

We will accompany you anytime, anywhere you would organized such events. Our Visitors, Clients and Buyers, still congratulate us for the booth setup and for your organization.

Please thank your teams on our behalf for their dedication, know-how and outstanding public relations skills.

We overcome all obstacles together, with a smile and comprehension, after all we are all human, and you never gave up working hard and helping all of us in order to offer us, your exhibitors, the most perfect framework needed for this kind of events.

We sincerely thank you again for your remarkable services and we will always be glad to participate in any of your events!
